Integration is where most projects and companies fail. Whether it's an M&A deal failing to live up to its promises of efficiency synergies or an endlessly-delayed project to integrate a key piece of technology, the main execution challenges reside in the integration of pieces, not in the creation of the units.

Leap Ventures - Global tech from MENA

We had several questions about the entire process. Our dream since we came to this country was to own our own home. Casa Dueño a Dueño helped us realize our dream with a very easy process.
