Matrilineality is the tracing of kinship through the female line. It may also correlate with a social system in which each person is identified with their matriline – their mother's lineage – and which can involve the inheritance of property and/or titles. A matriline is a line of descent from a female ancestor to a descendant (of either sex) in which the individuals in all intervening ...

Matrilineality - Wikipedia

All qualifications and part qualifications on the National Qualifications Framework are public property. Thus the only payment that can be made for them is for service and reproduction.
