As an institution and a life path, marriage is wonderful. Marriage, in it's purest form, is the culmination of love and support, and is the shout-it-from-the-rooftops loud declaration to the government, and to the world, that you have decided that THIS one person is THE person you're going to stick with the rest of your lives.

### **Guide to a Weird Life**

David Toomey: *Weird Life: The Search For Life That Is Very, Very Different From Our Own*. It's trickier than it sounds. "For instance, suppose we define a living organism as that which grows,

consumes, converts matter into heat energy, maintains a metabolism (that is, perpetuates itself through chemical activity), and after a fashion, dies.” That might sound pretty good, until Toomey notes that it would include stars and candle flames.
