Hal Jordan, also known as Green Lantern, is a fictional superhero appearing in American comic books published by DC Comics. The character was created in 1959 by writer John Broome and artist Gil Kane, and first appeared in Showcase #22 (October 1959). Hal Jordan is a reinvention of the previous Green Lantern who appeared in 1940s comic books as the character Alan Scott.

Computers have often been used as fictional objects in literature, movies and in other forms of media. Fictional computers tend to be considerably more sophisticated than anything yet devised in the real world. This is a list of computers that have appeared in notable works of fiction. The work may be about the computer, or the computer may be an important element of the story.
