### **War Is A Racket The**

War Is a Racket is a speech and a 1935 short book, by Smedley D. Butler, a retired United States Marine Corps Major General and two-time Medal of Honor recipient. Based on his career military experience, Butler frankly discusses how business interests commercially benefit, such as war profiteering from warfare. He had been appointed commanding officer of the Gendarmerie during the United States ...

A protection racket is a scheme whereby a group provides protection to businesses or other groups through violence outside the sanction of the law—in other words, a racket that sells security, traditionally physical security but now also computer security. Through the credible threat of violence, the racketeers deter people from swindling, robbing, injuring, sabotaging or otherwise harming ...

Overview. In *Delusions of Power*, economic historian Robert Higgs calls into question our ingrained notions concerning the nature of the state and democracy. Higgs uproots the foundation stone upon which the state's powers have rested and grown unchecked by the public. Beginning with the Founding Fathers and moving forward, Higgs reassesses the world wars, the Great Depression and the New Deal ...
