What would happen if the Federal Reserve was shut down permanently? That is a question that CNBC asked recently, but unfortunately most Americans don't really think about the Fed much. Most Americans are content with believing that the Federal Reserve is just another stuffy government agency that sets our interest rates and that is watching out for the best interests of the American people.

100 Words Every Middle Schooler Should Know

BY ANDY ZIKER. Beginners are by far the largest population of drummers, and they come in lots of shapes and sizes. While some teachers do a great job of taking into account age, background, and learning modalities (visual, auditory, and tactile), others use a cookie-cutter approach (probably because they were taught this way) to help their newbies.

10 Essential Tips Every Drummer Should Know - DRUM! Magazine

By Rob Arnott, DVM Horses have been around for many, many years. Some experts have determined from fossil evidence that horses have existed for over 55 million years. These early horses were probably browsers that ate soft, leafy vegetation and groundcover in the prehistoric woodlands. The horse evolved over time, and the current form and type of dentition in the horse is believed to have ...
