B.Ed. Scheme & Syllabus

NorthStar is a five-level integrated skills series for language learning. The series is divided into two strands: listening/speaking and reading/writing. There are five books in each strand, taking students from the high beginning to advanced levels.

NorthStar - Pearson ELT

The hardenability of a metal alloy is the depth to which a material is hardened after putting it through a heat treatment process. The unit of hardenability is length. It is an indication of how deep into the material a certain hardness can be achieved. It should not be confused with hardness, which is a measure of a sample's resistance to indentation or scratching.

Hardenability - Wikipedia

Table of Specifications . What is a Table of Specifications? A Table of Specifications is a two-way chart which describes the topics to be covered by a test and the number of items or points which will be associated with each topic.

On the basis that Te Kotahitanga is focused on raising the achievement of Māori students through changing teacher practice, we have adopted Elmore's (2002) model for demonstrating improvement by measuring increases in teacher practice and student performance over time. This model demonstrates improvement by measuring the quality of teacher practice and student performance on the vertical axis ...

Te Kotahitanga: Addressing educational disparities facing ...

Standardization or standardisation is the process of implementing and developing technical standards based on the consensus of different parties that include firms, users, interest groups, standards organizations and governments. Standardization can help maximize compatibility, interoperability, safety, repeatability, or quality. It can also facilitate commoditization of formerly custom processes.
