Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.

Good stuff, thanks. I tend to agree that this scrap is essentially a matter for the Americans but the fact that about 200 creepy, freaky, perfect clones of Daniel Hannan are going to roll up in the next House of Commons as newbie MPs and start trying to compete for jobs to rule over us is very much a problem for us.
