The good soils, waterways, and climate of France, Germany, and England help to explain their consistent hold on power. The US is not going to decline, as we always feel inclined to say, because we are in just about the most fortunate geographic position a country could ask for. Brazil will never be a major international power, despite its size, because of its jungles, poor soil, and un-ideal ...

Dutch Bros Coffee CEO Travis Boersma and his family went to the Kentucky Derby two weeks ago for what he called a bucket list trip. They didn't pick the winner, although many lost out when the first horse to finish, Maximum Security, was disqualified, the first time that's happened in 145 years of the legendary race.
