International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. International Women's Day (IWD) has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people in Austria, Denmark, Germany and Switzerland.

Anand Rathi MD Priti Rathi Gupta has made a name for herself in the largely men-dominated sector of financial service. But it hasn't been easy. She had to go through a lot of mansplaining along the way. And, the best way to deal with it, she says, is to take it with a pinch of salt, and not have anyone say that they can't do a certain thing because of their gender.
