One of the more controversial concepts in Agile Modeling is that agile models and agile documents are sufficient for the task at hand, or as I like to say they are just barely good enough (JBGE) . In this article I make the following critical points about a model or document (an artifact) being just barely good enough:

Just Barely Good Enough Models and Documents: An Agile ...

I think it's fair to say that each one of us enters motherhood with a set of beliefs or expectations about what it means to be a good mother. We develop these beliefs from the pressure of our communities and society as a whole, the experiences with our own parents, and through the expectations of friends, family, and media.

8 Ways to Be A Good Mother Instead Of A Perfect One

Gotham has revealed its final Joker design, and while the reaction online has been fairly negative, the look works well enough within the context of the show. With only two episodes remaining, Gotham's time on television is almost over and arguably the most complex character to feature throughout the series' has been Gotham's version of iconic Batman villain, the Joker.

I use this recipe every year and always use the full 300 mls of milk. The batter is very thin but makes perfect wafer thin crepes. I think the reviewers below who are complaining there is too much milk in the recipe were either expecting to be making scotch/american pancakes or just panicked when they saw how thin the batter is!!!

This idea is all wrong! Real sautéed potatoes should be slices of about 1.5" - 2" diameter and just

under 0.25" thick. Cubed potatoes have 6 sides and thus cannot be browned on all sides because you'd spend forever turning them over (difficult enough as it is with tiny cubes like these).
