Socrates' Defense How you have felt, O men of Athens, at hearing the speeches of my accusers, I cannot tell; but I know that their persuasive words almost made me forget who I was - such was the effect of them; and yet they have hardly spoken a word of truth. But many as their falsehoods were, there was one of them which quite amazed me; - I mean when they told you to be upon your guard, and ...

Have you ever heard the old saying "You get what you get and you don't get upset"? While that may apply to after school snacks and birthday presents, it shouldn't be the case for software security. When a software feature is deployed, it isn't simply accepted by the software owner; there's a strategic process of critique, justification, and analysis before it's deployed.
