The California Trail was an emigrant trail of about 3,000 mi (4,800 km) across the western half of the North American continent from Missouri River towns to what is now the state of California. After it was established, the first half of the California Trail followed the same corridor of networked river valley trails as the Oregon Trail and the Mormon Trail, namely the valleys of the Platte ...

First, go to The Tough Guide to the Known Galaxy and read the entry "FUTURE HISTORY". Then read the TV Trope's Standard Sci-Fi History (you might also want to read the TV Trope's Standard Sci-Fi Setting. Hackneyed, formulaic, derivative, and space opera; but very common). Also check out this website's historical timeline of (mostly) real world events.. The 1950's flavored future history below is ...
