After we began to publish a number of articles about HDMI cable, there was one point which we were surprised to find readers disputing again and again; that was our assertion that all HDMI cable (apart, of course, from our Belden HDMI cables) is made in China. Time and again, we have been e-mailed and telephoned about this one, with a customer swearing up and down that So-and-So Cable ...

1. The Relationship Scorecard. What It Is: The "keeping score" phenomenon is when someone you're dating continues to blame you for past mistakes you made in the relationship. If both people in the relationship do this it devolves into what I call "the relationship scorecard," where it becomes a battle to see who has screwed up the most over the months or years, and therefore who owes ...
