There's a fine balance between spontaneity and planning when traveling the world... and especially in Tokyo. While you definitely need time to wander off down that alley or follow that group of people dressed as foxes, it sucks when you find out about something amazing you were 5 minutes away from, two weeks after your trip.

Groups - Biography

Something about abandoned, neglected places gets the old fear meter up into the red for most people. Extra fear points can be had for places that have been sitting deserted for an extremely long time, or used to be places of merriment where some terrible thing happened, or used to be horrible, horrible places where even more terrible things happened.

10 Creepy Abandoned Places - Listverse

Throughout history people have always wondered what was beyond the next mountain, ocean, river, or even planet. Explorers are people who have blazed the trail in going to new places.
