So many people I know have read this book and it has been the center of more than one discussion in the last few months. I started to read the book and was truly fascinated but the further I read, the more I started to doubt this account and the very existence of the "anonymous" man who claimed to have had these visions and revelations.

**Greg Smith reviews John Pontius' book 'Visions of Glory ...**

While it's an account of one man's personal experience and visions it is interesting to read what he saw and experienced. It really is an eye opener and puts things in a whole new perspective to some of the 'behind the scenes' stuff we don't normally see, hear or realize exists and to what degree and in that kind of detail.
