Where The Stars Still Shine

Where the Stars Still Shine was an uplifting story that will make you angry, fill your heart with joy, and make you swoon. Callie was kidnapped by her mother, a completely selfish woman. When faced with the prospect of losing custody because of her erratic and neglectful behavior, she takes five year old Callie and runs.

Where the Stars Still Shine by Trish Doller - Goodreads

In WHERE THE STARS STILL SHINE, Trish ups her game by telling the story of a young lady who was never given the opportunity to live a "normal" life, having been on the run with her unstable mother for the past ten years.

Not only does Callie have secrets, she is one: she and her mother have been on the run since her parents split up and her mother abducted her. Five then, 17 now, Callie has had many names, and she wea

Children's Book Review: Where the Stars Still Shine by ...

Where the Stars Still Shine is one of the most incredible books of this year. Callie's story is heartbreaking, but also hopeful; I was completely invested in it from start to finish. What makes this novel moving is how Doller skillfully tackles things that many of us might face in real life: shifting family dynamics, new friendships, and the promise of romance.
