Drafting is the preliminary stage of a written work in which the author begins to develop a more cohesive product. A draft document is the product the writer creates in the initial stages of the writing process.. In the drafting stage, the author: develops a more cohesive text; organizes thoughts; explains examples/ideas; uncovers transitions; discovers a central argument/point

Free writing is a prewriting technique in which a person writes continuously for a set period of time without regard to spelling, grammar, or topic. It produces raw, often unusable material, but helps writers overcome blocks of apathy and self-criticism. It is used mainly by prose writers and writing teachers. Some writers use the technique to collect initial thoughts and ideas on a topic ...
