Minimalism describes movements in various forms of art and design, especially visual art and music, where the work is set out to expose the essence, essentials or identity of a subject through eliminating all non-essential forms, features or concepts. As a specific movement in the arts it is identified with developments in post-World War II Western Art, most strongly with American visual arts ...

Minimalism (visual arts) - Wikipedia

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics. The information requested is expected to be provided in the form of an answer.

During the Q&A. Restate the question, perhaps in your own words. Doing this provides two benefits. First, you increase the likelihood that the audience has heard the question. Second, you increase the likelihood that you understand the question before you proceed to answer it.; Don't assume everyone in your audience has the same background knowledge about the question that you do.
