"Welcome to Paradise" is the second single by the American punk rock band Green Day. It is the fifth track from their third studio album, *Dookie* and was released as the second single from the album in October 1994. The original version of the song appeared as the third track on their second studio album, *Kerplunk*. The *Dookie* version was later included on the compilation album, *International ...*

When Germany legalised prostitution in 2002 it triggered an apparently unstoppable growth in the country's sex industry. It's now worth 15 billion euros a year and embraces everything from 12-storey mega-brothels to outdoor sex boxes. Nisha Lilia Diu visits some of them to find out who won and who lost
