The Salem witch trials were a series of hearings and prosecutions of people accused of witchcraft in colonial Massachusetts between February 1692 and May 1693. More than 200 people were accused, 19 of whom were found guilty and executed by hanging (14 women and 5 men). One other man, Giles Corey, was crushed to death for refusing to plead, and at least five people died in jail.

The Salem witch trials have fascinated historians for centuries, largely because of their bizarre

nature and the great uncertainty that surrounds them. One of the most intensely debated topics is the question of why the girls began to accuse seemingly random townspeople of witchcraft. However, there is little evidence to support any theory, and consequently historians are forced to rely ...
