The University of Louisville awards credit on the basis of scores on the Advanced Placement Examinations of the College Entrance Examination Board for the scores indicated below.

Advanced Placement Credit — Office of Admissions

A great way to build stronger communities is to start with the young. Getting younger people involved in shared projects can lead to the establishment of community organisations. Sporting and arts groups are a great example of this. There are plenty of drama clubs and groups in regional areas around Australia.

Our Community Link - information | engagement | impact

Paul Andersen describes three main characteristics of life that are conserved in all organisms on the planet. The universal genetic code, the central dogma of biology, and shared metabolic pathways give us details of the original universal ancestor.
