INTRODUCTION TO THE LIGHT MICROSCOPE. Introduction: If you missed the microscope lab we did in class, you will need to make it up by using a "virtual microscope" which can be accessed on the internet. The virtual microscope is a little more complicated than the microscope we used in the lab, but with patience, you should be able to complete this activity.

### **Microscope Introductory Lab - Virtual - The Biology Corner**

This is a basic freshman level lab where students learn to focus a light microscope. They examine a slide with the letter e, common things, like dust, and a prepared slide with threads to illustrate depth perception. This page shows the answers to the observations students make during the lab and sample pictures of common items as viewed under a microscope.
