A few years ago, when JL Fields left the Westchester area, I got to take over her column at the Journal News' Small Bites column, I Eat Plants.. It was awesome, having a dedicated vegan column for vegan things in Westchester! Sadly, a couple of years ago, after a number of problems with the website and some personnel changes, they decided to shut all of Small Bites down.

Wineries might use animal-derived products as finings. To remove proteins, yeast, and other organic particles which are in suspension during the making of the wine, a fining agent is added to the top of the vat. As it sinks down, the particles adhere to the agent, and are carried out of suspension.
