The Stages of Writing . English Writing Any writing 101 course teaches that writing is an activity that takes time and cannot be treated as a one-step affair. They also know that readers expect much more than just correct grammar; they expect interesting, clearly written, and well organized content. The basic rule of writing says that you need to think about what you are going to write BEFORE ...

The Firefox Grid Inspector, July 2017 edition. by Jen Simmons, July 26, 2017. I'm working on a lot of different projects these days, but one of my favorites is the Firefox CSS Grid Inspector.. I first started learning CSS Grid without a tool for seeing what's going on. It can be tough to understand why things aren't working they way you expect.

After looking at the crash of 1987 through the lens of a macro trader, I thought it would be interesting to examine how a bottom-up stock picker navigated the same environment. Who would be a better example than legendary hedge fund manager Julian Robertson. The Outstanding Investor Digest published excerpts from his letters in 1987, allowing us to follow him through the stormy year.
