**Wick 1 Michael Bunker**

From the mind of Michael Bunker and the political excellence of Chris Awalt comes this nice piece of dystopian fiction. It is not often evident what an author is all about simply by reading their art, but Wick is a pleasant exception.

Clay just wants to get home. Six years ago, he moved to New York City after his wife and daughters were killed in a horrible automobile accident, and now, the day after Hurricane Sandy devastates the city and the tri-state area, Clay sets out on foot to escape both the city, and the prison of hi ...

Michael Bunker, WICK Book 1 - Chapter 9 When I read that passage I felt it echoed the whole book's meaning. From the opening line, Michael Bunker grabs the reader by their shoulders and takes them along his main character's journey. Will we believe it? In other words, will we see through it and manage to get a glimpse of the author's "baggage"?

WICK 4: One Word of Truth is the final thrilling "knot" in the WICK saga. In WICK 1... a man walked out of New York City after Hurricane Sandy and fell off the edge of the earth... In WICK 2: Charm School... a mysterious town explodes in violence and America is dealt a deadly blow... In WICK 3: Exodus... the world is without power.

**Book Review: Wick (Wick, #1) by Michael Bunker | Mboten**

review 1: This is an ambitious book. It, and the whole Wick project is a fascinating artifact. It is also decent science fiction. Not great science fiction but decent. Many of the ideas are fantastic. This book could only be self-published, and not just because of the sometimes clunky and amateurish writing.

**The Last Pilgrims, Volume 1 Audiobook by Michael Bunker**

I read the kindle version of this book (and series) and loved it. The Audible version is horrible! Daniel Dorse comes across as a monotone, expressionless robot. I could not even finish the book! I

love the Wick series and Michael Bunker's writings but the choice of this narrator was a BIG mistake.

**Wick, Volume 1 (Audiobook) by Michael Bunker | Audible.com**

Michael Bunker is a USA Today Bestselling author, off-gridder, husband, and father of four children. He lives with his family in a "plain" community in Central Texas, where he reads and writes books...and occasionally tilts at windmills.

WICK is a stand-alone pre-apocalyptic thriller that sets the stage for the apocalyptic social, economic, and structural collapse of Western Civilization that leads us, 20 years later, into the events of Michael Bunker's thriller - The Last Pilgrims. The Cold War is about to get Hot, and sometimes just saying 'NO' is a revolutionary act...
