World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

Many in postmodern society downplay tradition. This change has rippled through some parts of the Church as well. However, tradition remains an important part of what the Christian faith is all about, because when the Church recognizes holy days, holidays, and seasons, it connects Christians of today with Christians throughout history. Lent When: Begins 40 [...]

The music and lyric writing of Brad Roberts are truly underrated. I know the quality dropped way off after a couple of albums, but Crash Test Dummies were getting main stream air play with music that sounded like nothing else at the time and lyrics that were quirky, introspective, sad, comical and miles away from anything else you'd hear on the radio.
