My take on this is that fiat money, which is a placeholder for wealth, is vile. Fiat money has nothing to back it up, I believe the gold standard is better but at the same time, I believe money should be value, I wouldn't oppose our coins being made of precious metals to give them value, I know that people would claim that if that happened people would just melt the coins to make more money ...

Short Inspirational stories are powerful reads; The great thing about them is that they're so easy to digest, and there's always a moral at the end of the story. Whether they're true stories or not is another thing, as many of them are legends supposedly hundreds of years old. However, the stories that I'm talking [...]
