Hello! I am an incoming freshman at the University of Texas at Dallas and I am interested in pursuing a degree in Computer Science, and I noticed that Calculus I and II are prerequisites for the CS major. Thus my question is how difficult are each of the classes, since I have a fairly strong background in math (I took AP Calculus in high school.)

Difficulty and workload in Calculus I and II at UTD : utdallas

University of Dallas Mathematics. Much of mathematics has its roots in science but the spirit of mathematical inquiry is not bound to any specific area. Mathematics is an important discipline for every educated person. All students at the university are therefore required to study some mathematics.
