There's a type of shoe which I, being Irish, would call runners. They're comfortable for running or walking in. The British call them trainers, probably because they can be used for sports or training.. The Americans, meanwhile, call them sneakers, presumably because, being soft-soled, they're suitable for sneaking around in.. What are the actual sources of these words, and what words are used ...

A dunce cap, also variously known as a dunce hat, dunce's cap or dunce's hat, is a pointed hat, formerly used as an article of discipline in schools in Europe and the United States. In popular culture, it is typically made of paper and often marked with a D or the word "dunce", and given to unruly schoolchildren to wear. Frequently the 'dunce' was made to stand in the corner, facing the wall.
