The whole "problem vs. solution oriented thinking" – approach does not only apply when a person faces a problem or a difficult situation (as previously mentioned), but is also being applied in one's everyday life, when we have to face a challenging task or when having to perform several duties. In fact: if we really focus our attention on this topic we can discover that the majority of ...

### Problem vs. Solution Focused Thinking - Planet of Success

When writing an essay, the first problem you might face is deciding on what topic to choose, which is pretty ironic if you're writing a problem-solution essay.. The way out of that dilemma is to choose an issue that you're really passionate about.

### 40 Problem-Solution Essay Topics to Help You Get Started

I wonder what Jasper said—sounds like it was of use. To me, the difference between a solution to a problem and a solution for a problem is that the latter indicates a possible, suggested solution (yet to be verified as something that truly solves the problem), while the former is a more definitely efficient solution—if applicable, the only possible solution.
