As heartbreaking as it is to hear, the fact that you are even asking the question means the potential for violence is already there. Because one of many warning signs for violence is: a woman having intuitive feelings she is at risk. Women intuitively know when something feels 'off', but they don't always act on their intuition that is there to protect them.

Look, I've seen a lot of LGBT+ representation in the media and It's great that we are giving the community a voice. But, the LGBT+ characters are white, which is okay, white LGBT+ people exist, but I also want gay/bi/pan/trans people of color to be represented, I don't want every single gay love story to be between two white people.
