Too bad this isn't even slightly true. People have reported anecdotally upon giving up diet soda that "naturally" sweet things like fruit taste sweeter to them, but that's exactly how far the evidence goes; an anecdote. No such study exists to prove this. As for the claim that Diet Coke "deadens" your tastebuds, only a handful of things actually kill your tastebuds or cause changes ...

Did you ever notice that funny smell that comes from the photocopier? That's ozone and the EPA warns that even inhaling small amounts can lead to "chest pain, coughing, shortness of breath and throat irritation." Don't worry though, because the manufactures know this and your ancient photocopier was built with a filter to deal with the ozone it produces and... when was the last time someone ...
