will) about a subject we thought we weren't interested in, only . AMERiCAn EdUcATOR | SPRING 2009 of Why Don't Students Like School? American Educator.

Why Don't Students Like School? - AFT

Children don't like school because they love freedom. Willingham's thesis is that students don't like school because their teachers don't have a full understanding of certain cognitive principles and therefore don't teach as well as they could. They don't present material in ways that appeal best to students' minds.

In Why Don't Students Like School? Daniel T. Willingham bridges the gap between isolated, laboratory research and busy, chaotic classrooms. He takes a systematic and sympathetic approach to addressing educators' concerns about daily classroom activities.

Why Don't Students Like School? by Daniel Willingham ...

Why Don't Students Like School? by Peter Gray, Ph.D. "It was at home I learned the little I know. Schools always appeared to me like a prison, and never could I make up my mind to stay there, not even for four hours a day, when the sunshine was inviting, the sea smooth, and when it was joy to run about the cliffs in the free air, or to paddle in the water."
