### **Why Nations Go To War**

Sixteen years after the United States invaded Iraq and left a trail of destruction and chaos in the country and the region, one aspect of the war remains criminally underexamined: why was it fought in the first place? What did the Bush administration hope to get out of the war? The official, and widely-accepted, story

War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.
