Silo is a series of post-apocalyptic science fiction books by American writer Hugh Howey. The series started in 2011 with the short story "Wool", which was later published together with four sequel novellas as a novel with the same name.

Silo (series) - Wikipedia

Wool Omnibus is the first novel in the Silo series, by Hugh Howey, and comprised of several short sequential stories that are connected to each other. It's a post apocalyptic book, where people are cooped up in a "silo" to survive a world that has become so toxic that only minutes outside dissolves an air tight suit and then kills you.
