Alternative dispute resolution (ADR) is a process, or a collection of processes, that affords people the opportunity to resolve legal disputes without having to resort to litigation. ADR is designed to be an alternative to (though not necessarily a substitute for) resolving a legal dispute through the civil litigation process.

What Is Alternative Dispute Resolution (ADR) - Mediation ...

Usage Note: A traditional view holds that alternative should be used only when the number of choices involved is exactly two. This reasoning is based on the word's historical relation to Latin *alter*, "the other of two." Even in the 1960s, some 58 percent of the Usage Panel did not favor this edict, and now that majority is overwhelming.
