What Does “Sophomore” Mean? Of the four tiers of high school, sophomore is the year that stands out as strange. Freshman, junior, and senior are relatively clear monikers for their associated levels, and it’s funny that in school, the place where you are most expected to know the how and why of everything, second-year students are called by a term whose roots are abstruse.

Distilled definition, obtained or produced by distillation. See more. 6 Portuguese Terms We Wish Existed in English Sometimes we’re at a loss for words, not because we’re speechless, but because no English term lends itself to the situation (or snack) at hand. At those times, we turn to other languages, celebrating them for the concepts we wish we could express so easily in English.
