I absolutely love a pile-up activity and over the years on Tes Maths we have seen some great ones. Pile-ups are great because they look different to a sheet of practice questions, and thus students are perhaps more likely to engage and put the required effort in to solve the, and yet to solve them ...

Preface to the Home Education Series. The educational outlook is rather misty and depressing both at home and abroad. That science should be a staple of education, that the teaching of Latin, of modern languages, of mathematics, must be reformed, that nature and handicrafts should be pressed into service for the training of the eye and hand, that boys and girls must learn to write English and ...

vol 6 pg 1. A Philosophy of Education Book 1. Introduction. These are anxious days for all who are engaged in education. We rejoiced in the fortitude, valour and devotion shown by our men in the War and recognize that these things are due to the Schools as well as to the fact that England still breeds "very valiant creatures."
