Personable Inc. - Data Capture Solutions into Quickbooks ...

- Data entry is one of the most basic things we do in Excel, and yet there are some rules, some concepts, that you should become familiar with. In this worksheet called Data Entry, we're in the workbook called 02 - Entering Data, we're going to be creating a small worksheet consisting of about six months of data. And since we're not going to be using that many columns, I'm going to use the ...
