Of course, debates over the proper name of the conflict mattered little to the people who lived through it. For someone like Mary Jemison, this decade of warfare involved a variety of peoples who fought in a variety of ways, from European armies that cut roads through the wilderness to build forts on strategic waterways, to Native Americans who conducted raids against colonial homesteads for ...

I treat my annual best-of reading lists as Old Year's resolutions in reverse — unlike traditional resolutions, which frame aspirational priorities for the new year, they present a record of the reading that merited priority over the year past. In consequence, they are invariably subjective and incomplete — a shelf's worth of books that I, one person, read and enjoyed in the time given ...
