### **War Made New : Technology, Warfare, and the Course of ...**

Max Boot's War Made New is a survey of the various military revolutions which have altered the course of warfare since the late 1400s. To illustrate his arguments he chooses certain battles, some well known but others more obscure, and describes them in great detail, but without bogging down in "technospeak" which so often leaves non-specialists out in the cold.
