I'm not a marriage counselor. istock/KatarzynaBialasiewicz. At parent-teacher conferences, let's stick to your child's progress, not how your husband doesn't help you around the house.

Things Your Child's Teacher Won't Tell You | Reader's Digest

The results of a recent experimental study published in the March 2016 issue of Developmental Psychology found that not only what we say but how we say it may affect the development of emotional traits of a child starting at a very young age. We once thought that how a person was wired (temperament) was genetically determined but this study indicates that environment plays a big role as well.

How What You Say and How You Say It May Affect Your Child ...

From that first coo to the full play-by-play of their day at school, children's language skills usually develop in an orderly fashion. Here's an idea of what to expect when – but it's perfectly normal for a child to hit these milestones a little early or a little late.

Follow me on Twitter @DrClaire. Sore throats happen all the time in childhood — and most of the time, it's nothing to worry about. Most of the time, they are simply part of a common cold, don't cause any problems, and get better without any treatment.

When to worry about your child's sore throat - Harvard ...

Will your child be short, tall, or average? It's a question many parents ask, but there is no magic way to look into the future and see how tall your children will be when they grow up. You can get a good idea, however, by using a method that can predict your child's future height.

3 Methods for Predicting Your Child's Height - Verywell Family

How do you explain to your kids who say we don't want “our” stuff now, they want it later on in their life? I have been trying to sort through memories like their scrapbooks, childhood trophies, art pictures from every elementary year, etc., and they are upset with me saying they do not want to have to store these things.
