Wench Dolen Perkins Valdez

A resort (North American English) is a self-contained commercial establishment that tries to provide most of a vacationer's wants, such as food, drink, lodging, sports, entertainment, and shopping, on the premises. The term resort may be used for a hotel property that provides an array of amenities, typically including entertainment and recreational activities.

Resort - Wikipedia

Classic studies, the newest works, and a few novels on labor and gender and the institutions of slavery in the United States. Deborah Gray White's book, *Ar'n't I a Woman?* (1985) broke new ground in the field of slavery studies. The book ushered in the beginnings of well-focused and sustained ...
