These are serious strategy games, often European in origin, that involve very little luck and very little boring down-time. They tend to be deceptively simple to learn and wildly complex to play, but not always; some are so hard to learn that Ben has had to pre-digest the rules for us by sitting with them for hours on end until he's can explain them (I realize that this is a hindrance, but ...

Before this blog, before my diary. Before the phrase "cut and paste" conjured up anything more than scissors and glue, there was my spiral black kitchen book. The book is filled with recipes clipped from magazines and newspapers that I felt were manageable for someone like me — a twenty-something recent college grad whose spice rack contained three things: salt, pepper,...
