Water Stone Heart Will North

While I'm usually not one for romances, "Water, Stone, Heart" is a delightful and sweet romance of peoples' self-discovery that includes a delightful and wise child, a small but warm and caring Cornish Village, beautiful scenery, and a dangerous life-threatening natural event.

Water, Stone, Heart - Kindle edition by Will North ...

Escaping from the tedium of his life, the protagonist of Water, Stone, Heart, Andrew Stratton, a newly divorced architecture professor from Philadelphia, journeys to the remote village of Boscastle in Cornwall, England to learn how to build stone and turf walls.

Water, Stone, Heart by Will North - Goodreads

Water, Stone, Heart by Will North. Forty year-old Nicola Rhys-Jones is a woman in hiding. Fleeing an abusive husband, she finds refuge in Boscastle, a village on the rugged coast of Cornwall, England. Andrew Stratton is an American professor of architectural theory.

Water, Stone, Heart by Will North, Paperback | Barnes & Noble®

Water, Stone, Heart Thanks to Will North my next vacation may be to the coastal villages of Cornwall. I loved this book from the very beginning and I rushed through it in the way a fast moving river makes its way to the sea, much like the rivers did in the catastrophic...

Water, Stone, Heart by Will North: Summary and reviews

"North deftly creates an enchanting and touching love story reminiscent of those by Nicholas Sparks." —Booklist Forty year-old Nicola Rhys-Jones is a woman in hiding.

Water, Stone, Heart - Will North Home

Water, Stone, Heart is a moving and bittersweet novel of love, loss, and the power of nature to alter the very fabric of our lives. Jacquelyn Mitchard called Will North's first novel, The Long Walk Home, "genuine, tender, and affecting." The Seattle P-I compared the novel to "the best selling work of Nicholas Sparks and Robert James Waller."

Water, Stone, Heart by Will North - book cover, description, publication history.

Water, Stone, Heart by Will North - Fantastic Fiction

Water, Stone, Heart is a beautiful, slowly, relaxingly written book. It's set around the time of the horrific flooding in Boscastle which really happened. I must say I was getting a bit fed up with the 'hedge building scenes' - the stone walls, until it dawned on me that this was an integral part of the author's thoughts.
