"I don't make history. I catch fly balls." Actually, Willie Mays did both. When Willie Mays joined the New York Giants in 1951, black players were still a rarity in the major leagues. Before Willie Mays, the typical baseball scout's report on a talented black player would mention the player's color first, his ability second. When scouts described young Willie Mays, they mentioned his ...

When you're trying to control the amount of food you're eating, one of the most important things you can do is pay attention to portion sizes. While taking out a food scale and measuring how much your food weighs may be the most accurate way to calculate food portions, it's not always possible or practical.

How to Calculate Food Portions Without a Scale ...

A couple weeks ago I was driving through a neighborhood and there is a construction site on both sides of the street. All of a sudden a construction worker came into the street and I did not see him at all due to fencing and signs around the area and I hit him on the right side of my car.
