The blog and personal website of Eugene Wei. Utility doesn't require much explanation, though we often use the term very loosely and categorize too many things as utility when they aren't that useful (we generally confuse circuses for bread and not the reverse; Fox News, for example, is more entertainment than utility, as is common of many news outlets).

Remains of the Day

To reduce the server load, the notification about new comments will be only available one hour before the start of the broadcast. This option will stay active for an hour after the end of the broadcast.

Although it is not known precisely by whom gunpowder was discovered, most historians agree that gunpowder's origins were in China due to the amount of archaeological evidence and historical documents that exist predating others by centuries. The very earliest possible reference to gunpowder appeared in 142 AD during the Eastern Han dynasty when the alchemist Wei Boyang wrote about a substance ...

5 Scripts. The Infinity Engine uses scripts in a bytecode format, known as BCS.Bytecode is not human-friendly, and the textual format BAF was derived from BCS.WeiDU includes a BAF compiler for turning BAF scripts into BCS scripts and a decompiler for the reverse transformation. The BCS format will not be documented here, but the format is described by the IESDP.

If you want cmd.exe to not close, and able to continue to type, use cmd /k. Just felt the need to clarify what /k does (from windows website): /k: Carries out the command specified by string and continues.. So cmd /k without follow up command at the end of bat file will just keep cmd.exe window open for further use.. On the other hand pause at the end of a batch file will simply pause the ...
