Washingtons Secret War The Hidden

George Washington (February 22, 1732 – December 14, 1799) was an American political leader, military general, statesman, and Founding Father who also served as the first president of the United States from 1789 to 1797. He led Patriot forces to victory in the nation's War of Independence, and he presided at the Constitutional Convention of 1787 which established the new federal government.

George Washington - Wikipedia

Valley Forge functioned as the third of eight military encampments for the Continental Army's main body, commanded by General George Washington. In September 1777, British forces had captured the American capital of Philadelphia. After failing to retake the city, Washington led his 12,000-man army into winter quarters at Valley Forge, located approximately 18 miles (29 km) northwest of Philadelphia.
