Key Points. More than ever, it's important to know how to communicate your point quickly and professionally. Many people spend a lot of time writing and reading, so the better you are at this form of communication, the more successful you're likely to be.

Writing Skills - Communication Skills Training from ...

At school, I loved maths/science and hated English. My writing was bad. I felt stupid because all the other kids used long words. Then a few years ago, a good friend of mine, who is a confidence coach, simply told me I was much better understood by others because I used plain and simple words.... none of these pompous long words.

11 Smart Tips for Brilliant Writing - Copyblogger

Three Stages of Writing 1. Early Stages The early stages of writing a philosophy paper include everything you do before you sit down and write your first draft. These early stages will involve writing, but you won't yet be trying to write a complete paper. You should instead be taking notes on the readings, sketching out your ideas, trying to explain the main argument you want to
